

GO RED FOR WOMEN PRESENTS

Let's Have A **HEART to HEART**

February 5, 2021

12:00–1:00 PM

Have you put yourself on your “to-do” list? As women, caregivers and professionals, prioritizing personal health is arguably more important now than ever. Join our panel as we discuss how to be better self-advocates for our health and build stronger, more trusting doctor patient relationships.
