OPEN ENROLLMENT FOR HEALTH INSURANCE BEGINS ON NOVEMBER 1, 2017

Open Enrollment is the period when people can shop for insurance through the Affordable Care Act (ACA) marketplaces, and either renew their old plan or sign up for a new one. Last year, 8 out of 10 people who signed up for coverage qualified for financial assistance, which meant they could find premiums between \$50 and \$100 per month. For most people, if they miss the Open Enrollment period, they will be without health insurance in 2018.
