

Substance use resources

We practice harm reduction to meet you where you are.

1 Ask about Medication Assisted Treatment and overdose prevention tools:

Buprenorphine

Narcan/Naloxone

Fentanyl testing strips

2 Ask us how to make substance use safer for yourself and others:

Learn how to use Narcan

Get tested for HIV/Hep C

Visit local needle exchanges

Syringe services are coming to Health Care for the Homeless in 2021
